

**ADVERTISEMENT FOR BIDS**  
**(RE-BID)**

Sealed bids for a lump sum subcontract are invited from Fire Extinguishers, Bathroom Accessories, & Misc. Specialties subcontractors (hereinafter "Subcontractors") for the following work:

**UCLA MP200 2nd Floor Oncology Improvements**  
**Project Number 907511.01**

**Bid Package 12 – Fire Extinguishers, Bathroom Accessories, & Misc. Specialties**

**DESCRIPTION OF WORK:**

**General Description:** The project would renovate approximately 9,410 asf (10,240 gsf) of vacated space on the second floor of MP200. A make-ready project, which includes the demolition of the second-floor space, is currently underway as a separate, stand-alone project and is expected to be completed by November 2025.

The renovated space will provide new patient clinic areas, including check-in, patient infusion bays, isolation rooms, exam rooms, consultation rooms, nurse stations, blood draw stations, offices, and support and storage spaces.

The project scope shall include, but not be limited to, the following:

- New interior partitions, floor and ceiling finishes, casework, glazing, doors and hardware and new LED light fixtures.
- Installation of new pneumatic tube system (two stations).
- New air handler unit (AHU) and new electrical and plumbing (MEP) upgrades to support the new clinical space and comply with sustainability requirements, including new digitally controlled variable air volume (VAV) boxes, modified medium and low-pressure ducting, and new code-compliant plumbing and electrical fixtures.
- Modifications to audio/visual (A/V), nurse call, fire alarm and sprinkler systems to support the new program.
- Installation of emergency safety and security systems, including CCTV, ACAMS, and IDS systems.

All proposed work will occur in an occupied building with restricted hours to perform any noise-producing work and access to areas above/below the Project Site. The project may require night and/or weekend work to accommodate these work restrictions. Existing improvements impacted by the work shall be restored.

The project would be designed to comply with the California Code of Regulations (Title 24), Office of Statewide Health Planning and Development (OSHPD 3 Clinic) requirements, licensing requirements of the Department of Public Health (Title 22), and disabled access requirements of the Americans with Disabilities Act (ADA).

The project shall be designed to meet the requirements and intent of the University of California Regent's Policy on Sustainable Practices concerning green building design and energy efficiency. The project will achieve a minimum LEED® Certified certification and strive to achieve LEED® Silver. The project must meet the California Energy Code (Title 24) energy efficiency standards and apply sustainability principles to the renovated building's systems, components, and portions.

The University has bid and awarded a CM at Risk Contract to Suffolk Construction Company, Inc. (hereafter "CM/Contractor"). CM/Contractor is responsible for bidding and awarding all subsequent subcontractor packages, including this package. The successful Subcontractor Bidder shall sign a Subcontract Agreement directly with CM/Contractor, and shall be bound by all the terms of the contract between University and CM/Contractor. Refer to "Attachment 4 - Agreement," which contains the contract between University and CM/Contractor, attached to the subcontract bidding documents and incorporated by this reference.

**Bid Package 12 – Fire Extinguishers, Bathroom Accessories, & Misc. Specialties (this contract):**  
Subcontractor shall furnish and install all Division 10 specialties in accordance with the Contract Documents, including fire extinguishers and cabinets, toilet and bath accessories, and corner guards. Work shall include anchorage, alignment, and coordination with adjacent finishes for complete installation.

The estimated construction cost of this bid package is \$106,640.00.

**BIDDING DOCUMENTS:**

Bidding Documents will be available beginning on December 3<sup>rd</sup>, 2025 and will be issued online at Suffolk's public plan room, hosted via BuildingConnected at:

[Suffolk Construction Company, Inc. Public Plan Room](#)

**LICENSE REQUIREMENTS:** The successful Bidder will be required to have the following California current and active contractor's license at the time of submission of the Bid:

**C-61 / D-34 License (Prefabricated Equipment)**

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each Bidder may be required to show evidence of its equal employment opportunity policy. The successful Bidder and its subcontractors will be required to follow the nondiscrimination requirements set forth in the contract between the University and the CM/Contractor and to pay prevailing wage at the location of the work.

The work described in the contract is a public work subject to section 1771 of the California Labor Code.

No contractor or subcontractor, regardless of tier, may be listed on a Bid for, or engage in the performance of, any portion of this project, unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 and 1771.1.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

The successful Bidder shall pay all persons providing construction services and/or any labor on site, including any University location, no less than the UC Fair Wage (defined as \$13 per hour as of 10/1/15, \$14 per hour as of 10/1/16, and \$15 per hour as of 10/1/17) and shall comply with all applicable federal, state and local working condition requirements.
